Just a few of the Ergonomic features of all Ovation Pipettes

- **Easy No Pounding Tip Acquisition**
Low force, secure tip acquisition with audible "click-on" confirmation so no pounding required
- **Easy Low-Force Tip Ejection**
No-thumb-strain, spring-loaded, "flick-off" tip ejection
- **Stands on bench even** with tip attached to maintain sterility.
- **Color coded by volume** for easy identification on benchtop
