

# Ovation Nozzles Reference Chart

		Pipette	Description	VistaLab Cat #																																																																														
Single Channel	1057-0002 Ovation QS 0.2-2uL	●	Micro Stinger Nozzle	9057-1013 5/pk																																																																														
	1070-0002 Ovation M 0.2-2uL	●				1057-0010 Ovation QS 1-10uL	●	Micro Nozzle	9057-1010 10/pk		1057-0020 Ovation QS 2-20uL	●	1065-0020 Ovation ESC 0.5-20uL	●	1070-0010 Ovation M 1-10uL	●	1070-0020 Ovation M 2-20uL	●	1057-0100 Ovation QS 10-100uL	●	Small Nozzle	9057-2010 10/pk		1057-0200 Ovation QS 20-200uL	●	1065-0125 Ovation ESC 2-125uL	●	1065-0250 Ovation ESC 5-250uL	●	1070-0100 Ovation M 10-100uL	●	1070-0200 Ovation M 20-200uL	●	1057-1000 Ovation QS 100-1000uL	●	Large EZ Clean Nozzle	9057-3017 5/pk		1065-1250 Ovation ESC 25-1250uL	●	1070-1000 Ovation M 100-1000uL	●	1057-1000 Ovation QS 100-1000uL	●	Type A EZ Clean Nozzle	9057-1017 5/pk		1065-1250 Ovation ESC 25-1250uL	●	1070-1000 Ovation M 100-1000uL	●	1065-05mL Ovation Macro 100-5000uL	●	Macro 5mL Nozzle	9060-5010 2/pk		1065-10mL Ovation Macro 0.2-10mL	●	Macro 10mL Nozzle with adapter	9060-6010 1/pk		Multichannel	1060-0020 Ovation E12 0.5-20uL	●	Multichannel Micro Nozzles	9060-1010 4/pk		1160-0020 Ovation E8 0.5-20uL	●	1060-0125 Ovation E12 2-125uL	●	Multichannel Small Nozzles	9060-2010 4/pk	1060-0250 Ovation E12 5-250uL	●	1160-0125 Ovation E8 2-125uL	●	1160-0250 Ovation E8 5-250uL	●	1060-0850uL Ovation E12 25-850uL	●	Multichannel Large Nozzles
	1057-0010 Ovation QS 1-10uL	●	Micro Nozzle	9057-1010 10/pk																																																																														
	1057-0020 Ovation QS 2-20uL	●																																																																																
	1065-0020 Ovation ESC 0.5-20uL	●																																																																																
	1070-0010 Ovation M 1-10uL	●																																																																																
	1070-0020 Ovation M 2-20uL	●																																																																																
	1057-0100 Ovation QS 10-100uL	●	Small Nozzle	9057-2010 10/pk																																																																														
	1057-0200 Ovation QS 20-200uL	●																																																																																
	1065-0125 Ovation ESC 2-125uL	●																																																																																
1065-0250 Ovation ESC 5-250uL	●																																																																																	
1070-0100 Ovation M 10-100uL	●																																																																																	
1070-0200 Ovation M 20-200uL	●																																																																																	
1057-1000 Ovation QS 100-1000uL	●	Large EZ Clean Nozzle	9057-3017 5/pk																																																																															
1065-1250 Ovation ESC 25-1250uL	●																																																																																	
1070-1000 Ovation M 100-1000uL	●																																																																																	
1057-1000 Ovation QS 100-1000uL	●	Type A EZ Clean Nozzle	9057-1017 5/pk																																																																															
1065-1250 Ovation ESC 25-1250uL	●																																																																																	
1070-1000 Ovation M 100-1000uL	●																																																																																	
1065-05mL Ovation Macro 100-5000uL	●	Macro 5mL Nozzle	9060-5010 2/pk																																																																															
1065-10mL Ovation Macro 0.2-10mL	●	Macro 10mL Nozzle with adapter	9060-6010 1/pk																																																																															
Multichannel	1060-0020 Ovation E12 0.5-20uL	●	Multichannel Micro Nozzles	9060-1010 4/pk																																																																														
	1160-0020 Ovation E8 0.5-20uL	●																																																																																
	1060-0125 Ovation E12 2-125uL	●	Multichannel Small Nozzles	9060-2010 4/pk																																																																														
	1060-0250 Ovation E12 5-250uL	●																																																																																
	1160-0125 Ovation E8 2-125uL	●																																																																																
	1160-0250 Ovation E8 5-250uL	●																																																																																
1060-0850uL Ovation E12 25-850uL	●	Multichannel Large Nozzles	9060-3010 4/pk																																																																															
1160-1250uL Ovation E8 25-1250uL	●
